RICHARD MANZI

Digital Marketer and Graphics Designer

Profile

Passionate Graphic Designer with an advanced diploma from the Integrated Polytechnic Regional College. I specialize in branding, UI/UX, and web design, and have experience in digital marketing. I blend creativity and functionality to deliver impactful, user-focused designs, always exploring new trends to keep my work fresh and effective.

Work Experience

Comprehensive Staffing Resources

- Managed digital platforms and executed email outreach initiatives
- Developed and refined promotional materials, such as videos and graphics.

City Radio 2019 – 2021

- designing a website,
- editing images for their ceremony & as a sound designer creating and mixing audio for broadcasts.

BTN TV 2018 – 2019

- I worked at BTN Television as a video editor and team leader, overseeing video projects and ensuring high-quality content.

Imprisco Plus Ltd 2017 – 2018

- designing books, posters, and various printed materials.
